

Rehoboth PTSA Welcomes You!

The Rehoboth PTSA provides financial and volunteer support of a wide variety of activities aimed at building a strong school and community. Our local PTSA is instrumental in promoting student achievement and supporting academic programs. There is no time commitment required to join PTSA. When families partner with schools, our children succeed. Our PTSA welcomes all parents, teachers, students, grandparents and community members.

The following is a list of some programs the Rehoboth PTSA has provided in the past and plans to continue for years to come with your support:

Reflections Art Contest
Staff Appreciation Events
Bus Transportation for Field Trips
Student Safety Programs
Family Fun Nights
Annual Silent Auction
Teacher Grants for new technology in the classrooms

Send in your membership today! Dues per member are \$5.00. Please return this registration form along with your check made payable to **Rehoboth PTSA** via backpack express.
